2011 Earth Day - Highlights

Disposal of Expired or Unneeded Prescriptions:

Electronic Equipment can be recycled at the following

locations:

Best Buy at 825 Pilgrim Way;
Lamp Recyclers, Inc. located at 3055 Holmgren Way;
Milwaukee, PC located at 1683 E. Mason Street; &
Brown Cty HHW Facility located at 2561 S. Broadway.

Disposal of Household

Hazardous Waste: The **Brown Cty HHW Facility** also collects & disposes household cleaning products, paints/stains, chemicals, solvents, batteries, fluorescent lights, propane tanks & pesticides that *cannot* be disposed of through a landfill. There is no fee associated with the disposal of these products. For more information, please contact the Center at 920-492-4950.

Did you know Recycling keeps almost **1.7 million tons** of material out of Wisconsin landfills.

Recycling paper produces **73% less air pollution** than using virgin materials.

Recycling 1 ton of plastic saves the equivalent of **1,500 gallons of gasoline** and recycling 1 ton of aluminum saves the equivalent of **2,350 gallons of gasoline**.

Water Testing: The Town is joining efforts with the Town of Cooperstown for well water testing. The Town of Cooperstown will be hosting the event on **April 19, 2011 from 2 – 6:30 pm** and New Denmark residents are encouraged to participate. Bottles will be

distributed and collected at the Cooperstown Town Hall which is located at 11626 Hwy Z, Maribel. An individual test is available at a discounted rate which would test for bacteria (coliform & e-coli), nitrates or arsenic; or packages are available which will test for multiple parameters. If you are interested in participating in this program, please watch the Town website for details or contact Michelle Wallerius, Clerk at 920-863-5523.

Keep Recycling: The

Governor's proposal to lift a State mandate on locally run recycling programs does not mean an end to separating your paper, plastic, aluminum and glass from the trash.

Residents are still required to properly dispose of all recyclable material. Pursuant to Chapter 6 of the Town Code of Ordinances, recycling is mandated and residents who fail to comply may be subject to warning notices and/or forfeitures.

Updated 911 Fire/House Number

You may have already seen a few updated 911 fire/house numbers within the Town or in other municipalities. These 911/house numbers are installed perpendicular to the roadway, are larger and provide better viewing and improved reflection from the road. All parcels with a structure located on it will receive this type of 911/house number this summer. Existing fire numbers and posts will be removed (unless they are physically attached to a structure, the property owner will then be responsible for removal of the sign) and an updated 911 fire/house number and post will be installed near the roadway. If you have questions or concerns about this process, you are encouraged to contact one of the Board members. The cost for this upgrade was budgeted in 2010 and residents will not incur any specials charges for these signs.

Reminder to Residents: The 2011 Garbage and Recycling Pick-up Schedules are available online at the Town website: www.townofnewdenmark.com.

Annual Town Meeting

It's time to hear from the Residents: The Annual town meeting will be held on **April 12, 2011 at 7:00 p.m.** This meeting gives the residents an opportunity to conduct official town business and voice their concerns on issues facing the Town. The 2010 Annual Financial Report will be available for review and can be reviewed in advance of the Annual Town Meeting at the Town website www.townofnewdenmark.com. Residents are encouraged to attend & participate in the Annual Meeting as your input regarding services and fiscal stewardship are warranted now more than ever.

Affects of Governor Walker's proposed State Budget for 2012-2013: State aids will be unaffected in 2011 but the Town can expect to see a loss of aid in 2012 & 2013 through a reduction in Shared Revenues, Highway Aids and the elimination of the recycling grant. The anticipated loss of revenue for 2012 is estimated at \$21,000. In addition, the Town is prohibited from raising the levy limit which must remain at 0% except for any increase in new construction for the next 2 years. Set forth below is a chart of the proposed reduction in State aid:

<u>State Aids</u>	2011		2012
Shared Revenues:	\$ 38,009	(24% Reduction)	\$ 28,910
Highway Aids:	\$132,397	(3% Reduction)	\$128,426
Recycling Grant:	\$ <u>7,500</u>	(Eliminated)	\$ <u>0</u>
	\$177,906		\$157,336
