### **PLEASE CONTINUE BE WATCHFUL & RESPONSIBLE:**

The Town continues to see the dumping of waste and unwanted items throughout the Town. Some items recently dumped include refrigerators, tires, televisions, mattresses, animal carcasses, and common household waste/debris. It is noted some of this waste may come from out-of-town people or unfortunately our own Town residents. These articles are not only unsightly and hazardous, but also costly to the Town to pick-up and dispose of. Therefore, the Board is seeking the help of the residents to be watchful and if you see anyone dumping unwanted items in the Town, please contact a Town official or write down a license plate number. Thank you for your assistance in making New Denmark a cleaner place to live.

**Dog Licenses:** Dog Licenses must be purchased separately from the Treasurer and cannot be included in your tax payment. Pursuant to Wisconsin statutes, all dogs over 5 months of age must be licensed. Fees for SPAYED OR NEUTERED DOGS are \$10.00, otherwise the license is \$15.00. # Winter

**SNOW REMOVAL FROM PRIVATE DRIVEWAYS:** Residents are once again reminded when clearing snow from private driveways all snow should be pushed clear of the roadway and into the right-of-way to avoid potential hazards and drifting.

## **BAY OF GREEN BAY: WARNING ICE ADVISORY**

Brown County is requesting municipalities advise their residents that the Brown County Port will be keeping the Green Bay shipping channel **OPEN** all winter with the ice breaker for transport of fuel due to the pipeline failure in the south. Outdoor enthusiasts (ice fisherman, snowmobilers, or people who use recreational vehicles on the ice) are advised to be cautious of open water and unsafe ice conditions. Please use extreme care when venturing out on the Bay of Green and/or the Fox River this winter.

**OPEN BURNING & PERMITS:** Please be advised the Denmark Volunteer Fire Department does not issue burning permits and will not perform controlled burns for property owners. Residents should review the DNR website ([dnr.wi.gov](http://dnr.wi.gov)) for burning regulations and call 1-888-WIS-BURN (947-2876) to obtain proper burning permits as the Town of New Denmark does not issue burn permits. In addition, residents should contact the Brown County Sheriff's Department (Non-Emergency) number at (920) 448-4210 and inform them of your controlled burn in order to avoid a potential fine and the dispatch of the local fire department.

### **New Denmark - REVISION to Sexual Offender Residency Ordinance**

The New Denmark Plan Commission is working on revisions to the Sexual Offender Residency Ordinance due to changes in the State law that became effective in March, 2016. The Plan Commission recommended preliminary revisions to add injunctive relief procedures which will allow the Town to appeal or object to the placement of a sex offender in the community and create an Appeal Board to preside over an appeal if a registered sex offender is denied residency by the Town. These revisions to the ordinance are meant to afford the Town more authority and discretion should the Department of Corrections place a sex offender in the Town. In addition, residents can sign up to receive notifications from the DOC by registering their email and address at the community notification site: <http://offender.doc.state.wi.us/public/notifications?reset=1>.

The New Denmark Town Board would like to wish everyone a very Merry Christmas and may the New Year bring you and your family peace, happiness and many new joys in 2017.
