Vote Gary Moore for Town Chairman

I am writing to ask for your vote and support in the upcoming election. With all the uncertainty of state and federal government, our town officials have the elected responsibility to protect our residents, property, and way of life. I will set up meetings to keep residents informed on town issues, such as farmland tax credit, property tax structure, etc, and return your calls of concern. I will see that your hard earned tax dollars are used wisely and effectively. I have worked with many town residents in the past, to accomplish needed town projects, and will continue this forward. I encourage your participation in town affairs and I will be available to all residents. This is your town, and I ask for your help again, to see that it can be passed down to future generations, as a wholesome place to live!

Thank you! Please - Get out and Vote!
