

**Town of New Denmark Comprehensive Plan 2019-2020 Update**  
**Visioning Session Recap, October 14, 2019, 6:30 p.m.**  
**New Denmark Town Hall**  
**Agenda**

1. Visioning Session held May 7<sup>th</sup> at Denmark High School
  - 31 attendees
  - 29 follow-up surveys completed
  
2. Key trends to emerge from survey "Top 10" responses:
  - Water quality
  - Rural atmosphere
  - Infrastructure/roads
  - Land Use
  
3. Top 10 Survey Issues (by votes and degree of agreement)
  - a. Protect water quality and well water.
  - b. Limit mega farms.
  - c. Maintain the Town's rural atmosphere.
  - d. Preserve 35 acre lot size for rural land preservation.
  - e. Regulate spreading of manure.
  - f. Improve road conditions.
  - g. Long-term plan for improving roads is needed. Implement annual allocation in town budget, not piecemeal.
  - h. Preserve green space and wildlife areas.
  - i. Increase maintenance of town roads.
  - j. Maintain the community as a farming community.
  
4. What's next?
  - Develop list of issues to address in plan update
  - Develop goals and objectives for plan
  - Review population trends and projections
  - Update existing land use map
  - Draft Issues and Opportunities Chapter
